

LANDMARKE®

NOTES:

1. This product may be constructed in any configuration up to 42" in height and 96" in width.
2. This product has been designed to comply with Section R312 of the 2006 International Residential Code and Section 1013 of the 2006 International Building Code for use in One-and-Two Family Dwellings.
3. This product has been tested to comply with the 2006 International Building Code Section 1607.7.1.1 under section 1607.7.1 Exception 1.
4. Use of spans greater than 96" is limited to one-and-two family dwellings only and requires an additional fastener through the top of the top rail into the mounting bracket (see additional detail).

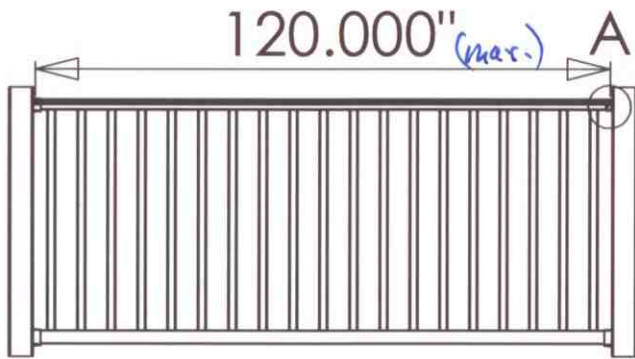

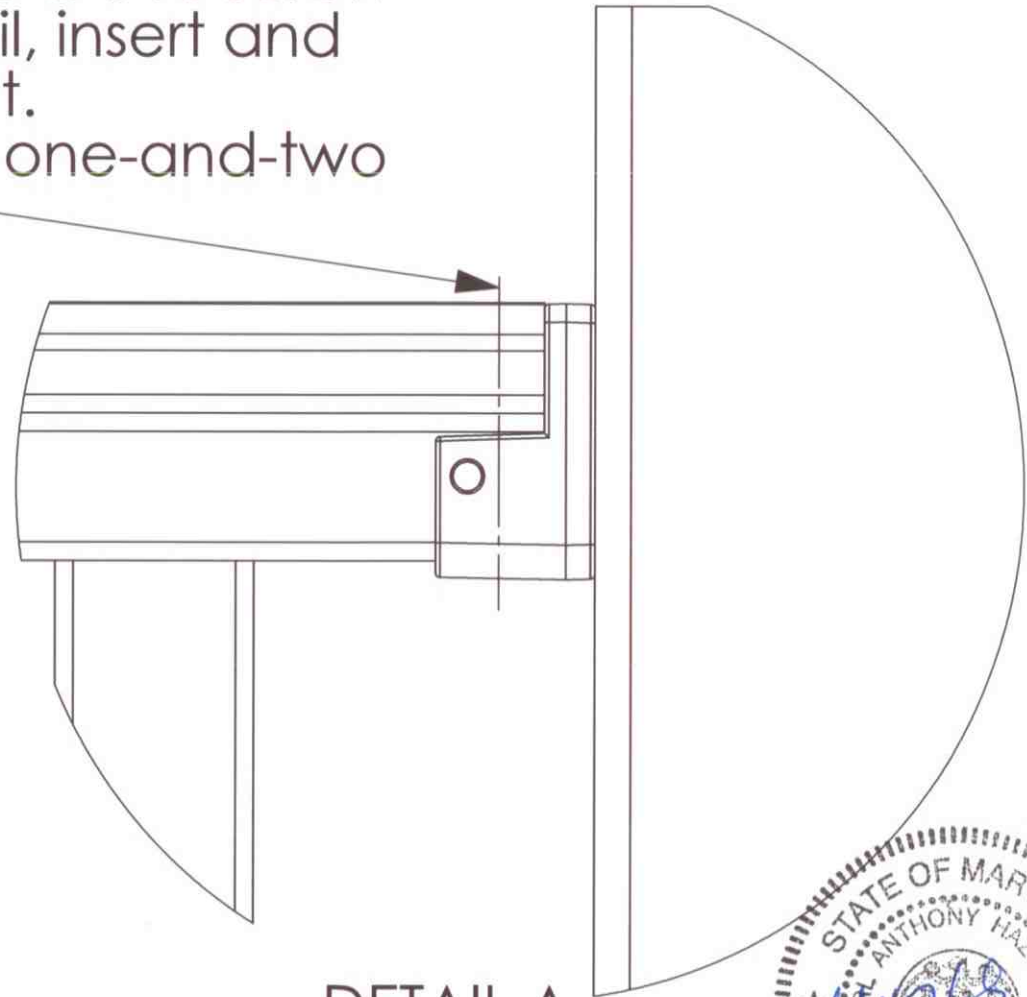

This product is covered by patent number 7,487,941B2
